MISSION

To use my life experiences to help set people free Spiritually, Mentally and Physically and to help people become who God Says they are.

BACKGROUND

God considers each and every one of us His Children. All God's Children go through God's Process. "I AM" a "Living Example" God's Process can be Accomplished. God had a Conversation with All of His Children before the Foundation of the World. In that Conversation, He Asked His Children the same Question. In 1977, I had a Dream about a faraway place. In that faraway place was my Soul Mate. Once we come together we will live happily ever after. "Soul Mate" was my answer to the Question from God. I had the same Dream for about a year. In 1978, I left Kansas City "In Search Of My Soul Mate." Through my search, I developed a Relationship with God through the Holy Spirit and it is a "Love Affair." "Word of Wisdom," "Word of Knowledge" and "Discerning of Spirits" are my Gifts from God. From them I See Truth, Read People and Situations, See the Lessons in the Situations and always get to the "Heart Of The Matter." "In Search Of My Soul Mate," "Love Affair" and "Heart Of The Matter" came together for "The Trilogy." From my Books my Vision expanded to "God's System Counseling Program," "God's System," "God's System – God's Process," "God's System – Mind Renewal," "God's System – Workbook" and "God's System – Profile." From there my Vision expanded to "Christianity," "Defense Of Marriage," "The Re-Birth Of Christianity" and "God's System Health And Nutrition Program." From there my Vision expanded to "Spirituality."
